

TIGER CUBS CURRICULUM SHEET: TESTING DEC. 2022

The Tiger Rock Tiger Cub Program yields many benefits for pre-school and kindergarten age children. Our curriculum is designed to help develop both sides of the body while enhancing focus and impulse control. Our cubs increase their confidence and improve their coordination while having fun!

GENERAL RULES:

- **Let sleeping tigers lie.** If your child falls asleep in the car, please come another day.
- **Take a potty break.** Please ensure your child's restroom needs are met before getting on the mat.
- **Tailor the uniform.** Please hem sleeves and pant legs as necessary for safety and comfort.
- **Safety first!** Please escort your Tiger Cub into the academy and to the bathroom.
